

In the Matter of the Interconnection Agreement )  
between Southwestern Bell Telephone, L.P., d/b/a )  
SBC Missouri, and Charter FiberLink-Missouri, L.L.C.: ) **Case No. TK-2006-0047**  
Arbitrated as a Successor Interconnection Agreement )  
to the Missouri 271 Agreement ("M2A"). )

Issue Date: September 7, 2005      Effective Date: September 7, 2005

On August 8, 2005, the Commission issued its Order Approving Arbitrated Interconnection Agreement in this case. On August 9, the parties to the interconnection agreement, Southwestern Bell Telephone, L.P., d/b/a SBC Missouri, and Charter FiberLink, Missouri, LLC, filed an errata to the agreement, noting that the Pricing Appendix had been inadvertently omitted and that certain pages were not properly numbered. The Commission's Staff filed its Memorandum and Recommendation on the same day and the Commission immediately approved the errata.

Thereafter, on August 26, the parties filed their Second Joint Errata And Motion To Modify Order Approving Interconnection Agreement, stating that the agreement filed with the Commission was mispaginated and lacked page 395. The parties propose to correct that error by adding to the agreement a page labelled "This Page Intentionally Left Blank," bearing number 395.

Staff filed its favorable Memorandum and Recommendation on August 30. Staff states that it has reviewed the errata and accompanying motion and believes the errata conforms to the Arbitrator's Report, the Commission's Arbitration Order, and the Telecommunications Act of 1996 ("the Act"). Under the provisions of the Act, the Commission may only reject "an agreement (or any portion thereof) adopted by arbitration under subsection (b) if it finds that the agreement does not meet the requirements of section 251, including the regulations prescribed by the Commission, or the standards set forth in subsection (d) of this section."<sup>1</sup> Staff recommends approval of the errata.

The Commission has reviewed the errata, the motion and Staff's recommendation, and finds that the interconnection agreement filed in this matter as modified by the errata conforms to the requirements of 47 U.S.C. § 251, and that such modification is necessary, appropriate and in the public interest. The Commission will therefore issue this Order Modifying Interconnection Agreement and Approving Second Joint Errata to correct the pagination error that existed in the agreement as originally filed.

**IT IS THEREFORE ORDERED:**

1. That the Motion to Modify Order Approving Interconnection Agreement filed by Southwestern Bell Telephone, L.P., d/b/a SBC Missouri, and Charter FiberLink, Missouri, LLC, in this matter on August 26, 2005, is hereby granted.

2. That the Second Joint Errata filed by Southwestern Bell Telephone, L.P., d/b/a SBC Missouri, and Charter FiberLink, Missouri, LLC, in this matter on August 26, 2005, is hereby approved and made part of the parties' Interconnection Agreement.

<sup>1</sup> 47 U.S.C. 252(e)(2).

3. That this order shall become effective on September 7, 2005.
4. That this case may be closed on September 8, 2005.
